Welcome to the 2007 Border Fine Arts Studio Catalogue

You're certainly in for a treat with this great selection of old favourites and some wonderful new introductions from across the wide range of collections that make up our latest *Studio* offering.

If you are an existing collector, you will be pleased to see that **The James Herriot** Collection continues to go from strength to strength, the subject matter and humorous scenes inspired by the antics of famous vet's stories proving to be as popular as ever.

But that's not all that we have to offer fans of Herriot's nostalgic stories, as there's also a wonderful array of functional pottery kitchen accessories to brighten up any home, in The James Herriot Country Kitchen Collection.

If its pottery that you like then you will love The Border Fine Arts Pottery Company TM Collection, which offers a selection of prominent cattle and sheep breeds, birds and horses, and cats and dogs — all with the lovely glazed finish of this very traditional-looking collection.

On top of this, there's a host of fun farmyard scenes available too: from cute and cuddly (The Farmyard Collection), to the iconic (The Massey Collection), plus a veritable feast of 'feathered friends' and native wildlife too — including a wonderful new collection of Mice On Fruit.

Fear not, there is also plenty on offer for lovers of 'man's best friend' in Dogs & Pups Galore and The Border Collie Collection, offering a range of figurines, mugs and accessories for the home or office! And if cats are more your thing, then Cats Around The House should appeal to you!

All said, there is something for everyone in the Border Fine Arts *Studio* Collection...enjoy!

The James Herriot Studio Collection

James Herriot became famous throughout the world for his books that captured the essence of life in England's Yorkshire Dales in the 1930s and 40s. The characters were portrayed with all their foibles and contradictions, their tight-fistedness and their generosity but, above all, their courage and gritty humour. Each of our fabulous, lifelike figurines, tells their own story and brings to life many of these characters from the tales of Britain's favourite vet.

A7938 EGGSTRA TREAT

Height: 10.5cm

Oh dear! It's one thing having an accident, another getting eggcited about it, but even worse when someone laps it up - literally!

A6862 PRUDENCE

A7940 PIP

Height: 8.5cm

You often see dogs running along a road but there was something about this one which made me slow down and take a second look...'.

A6863 BRAVE BOYS

Height: 11.5cm Length: 30.5cm

It's the first time these young collie pups have ventured out and their first encounter with a mature Blackie Ram will test just how brave they are!

A1861 PUPPY LOVE

Height: 9.5cm

Nothing is more fun than watching a young puppy seeking the attention of its mother. Playfulness and affections are very evident.

A5914 COME NO CLOSER

Height: 9.5cm

If animals could talk we know just what this Rough Fell ewe would say to these two collie pups who have wandered into the field. Judging by the body language, however, her message has been read loud and clear!

A5915 IN A FLAP

Height: 10.0cm

The hen and her chicks had found a comfortable place to settle - in the farmer's wife's pansy display, when along came this collie pup. He was just trying to make friends, but when she noticed that one of her chicks was missing it put her all 'in a flap'.

Height: 17.5cm Length: 19.5cm

I often found a cosy nest of kittens with mother in the hay rack... snuggled between bales of straw all stretched blissfully...'

A4621 NO PEACE

Height: 9.0cm

Although the older Border collie seeks refuge on the footstool, the Jack Russell Terrier pups hamper any idea of resting she may have. There's just 'no peace' for the wicked!

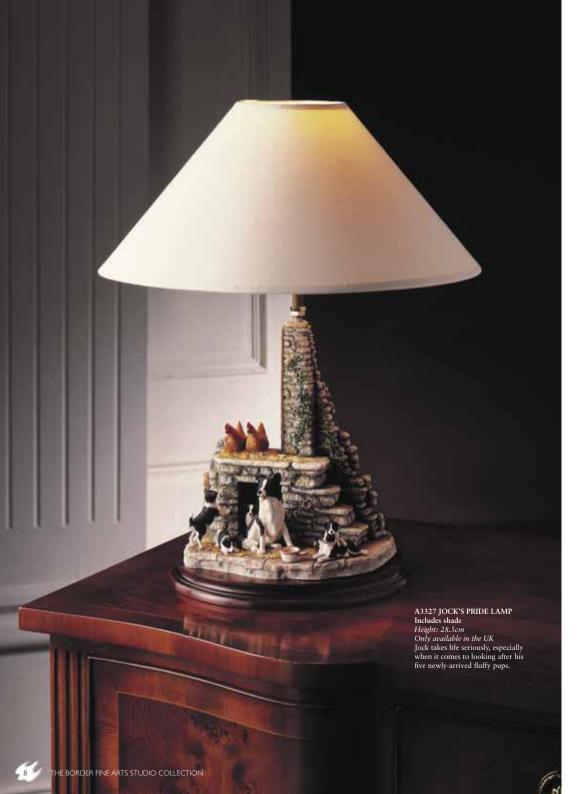

A0602 FOUND SAFE

Height: 14.0cm

It had been a long search that had covered a lot of ground. We knew the collie would find the missing lamb, it was just a question of how long it would take.

A5905 CONTENTED

Height: 8.5cm

Well, it looks as though these two lucky weaners have had a real treat today! After being such greedy piglets there's just nothing for it...but to have a little snooze and sleep it off!

A5907 TROUBLE

Height: 7.5cm

When there's a puppy, there's just no peace, and it looks as though there may be 'trouble' ahead for these three kittens...

A4243 TWO AGAINST ONE

Height: 7.5cm

'Hello, hello, what have we here!' our pup is thinking as he meets these two lambs for the first time...after all, they are bigger than him and it is 'two against one'!

A4072 SPLIT DECISION

Height: 13.5cm
Up and over the style go the two collies in chase of a rabbit and a pheasant...but now they have a dilemma...which belongs to which? This calls for a 'split decision'.

A3703 MILKING TIME

Height: 16.0cm

Before milking parlours, the cows were milked out in the fields and the 'milker' went to the cow, not the other way round. With milk churns full and carrying her milking stool, the farm lass is carefully leading her donkey back to the farm taking care not to spill a drop — eagerly followed by the farm cat!

A6516 (Light Sussex) A6643 (Rhode Island Red) Height: 10.5cm

inegn: 10.5cm
'...for the hen had grown tired of life under Tristan and decided that
they would do better living off the country. They became nomads,
ranging ever further afield in their search for sustenance...'

A6518 MINSTREL Height: 10.0cm

A wonderfully heart-warming sight, as Minstrel, the Clydesdale foal, felt something land on his back and is straining to try and see what it is!

A6514 NUGENT Height: 6.5cm

"...today, a cardboard box occupied one corner, and inside I could see a tiny pig, standing on his legs, his forefeet resting on the rim, he was looking around appreciatively at his new home surroundings...'

A7939 TWO FOR THE PRICE OF ONE Height: 8.0cm

Double trouble these two might well be, but there can be no denying that nothing can beat 'two for the price of one'.

A6738 (Black & White) Height: 8.5cm

'...the farmer smiled. "Oh that's Herbert. Poor little youth's mother won't have 'im at any price. Took a bite at him at birth, though she thinks the world of her other lamb"...'.

A6517 (Black & White) Height: 8.5cm

"...as though recognising his name, the calf raised his head from the bucket and looked at us. It was a comic face — wet muzzled, milk slobbered half way up his cheeks and dribbling freely from his mouth...'

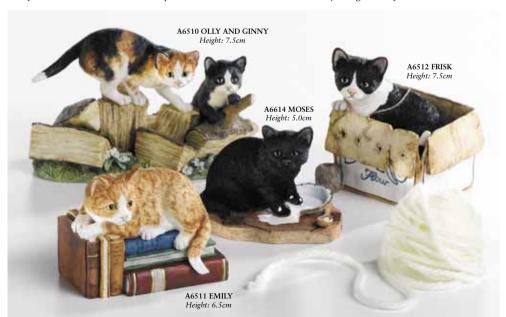

Cats

Herriot recalls Frisk's miraculous recovery: '...when he opened the box I prepared for the worst, but to my astonishment the little cat leaped out onto the table and rubbed his face against my hand...'

12 THE BORDER FINE ARTS STUDIO COLLECTION

The Farmyard Collection

The busy, seemingly chaotic, farmyard is the inspiration for this heart-warming collection of young animals and trainee farmers. Brought up together from birth, cats, dogs, rabbits, pigs and young children play amongst the buckets, logs, baskets and crates scattered around the yard and farmhouse kitchen.

Away from the farmyard, technology and machinery have an important part in the work of every farm. Quad bikes and tractors alike help farmers to manage their stock and maintain their crops — naturally all are fully researched by our designers to ensure accuracy down to the last wheel nut! Without a doubt our tractor collection will delight enthusiasts across the generations.

Birds

Favourite British birds such as robins, owls and kingfishers with their brilliant plumage and quizzical expressions form the basis of our current bird collection.

Perched in typical stances on branches, amidst reeds and flowers or beside the river bank, the birds vigilantly survey their surroundings. Watching birds feed, sing and soar around our gardens and countryside brings hours of pleasure to many, so it is not surprising that sculptures of our much-admired feathered friends are amongst the most popular of Border Fine Arts Studio collections.

The famous Big Red Tractor and the iconic Fergie, both produced by the world leading tractor manufacturer, Massey Fergusson, have inspired two wonderful collectable ranges to decorate the home.

Massey Ferguson — as part of the AGCO Corporation — is one of the world's biggest names in farm equipment, with a heritage that confirms its leading role in global agriculture. Massey Ferguson was formed in the 1950s by a merger of North American company, Massey-Harris with Harry Ferguson Limited of England. This merger ensured worldwide recognition of their revolutionary lightweight tractors.

Stepping Out

B1019

18th Annual Classic Society Member-only Figurine 2006/2007 by Ray Ayres

Height: 22.0cm Length: 25.0cm

The Common Pheasant (Phasianus colchicus) has to be one of our most beautiful game birds and here we see a highly colourful male (or cock) 'Stepping Out' with one of his females (hen). During the mating season (from late March to the end of April, or May) the male takes morning and evening walks along the same route throughout the woodland and scrub, and his distinctive call can be heard invitting the females to join him.

Carefully hugging the shadows He nimbly walks, avoiding Each circular golden glow Of streetlights, and detection.

Reynard calls, swiftly, stealthily Seeking out the discarded, Rattling bins, devouring remains; The Urban Fox is out to supper.

Event Figurine: Urban Fox

B1067

Limited Edition of 250 by Ray Ayres Height: 14.5cm Length: 17.5cm

The story behind Urban Fox...

This wonderful figurine has been a long time coming...a very long time

coming in fact! For those of you with a good memory, we ran an 'Inspire a figurine by poem' competition in the Spring Issue of *The Borderer*, 2001. Six poems were eventually short-listed and two winners finally selected to be turned into figurines. The first went on to become Our Nell, and the second, Urban Fox, has

Here's a reminder of the winning poem, sent in by Geraldine Laker, who will hopefully be delighted to be finally seeing the finished figurine which was inspired by her prose — we hope we have done it justice... and that it was well worth the wait!

Symbol of Loyalty

B0854
by Ray Ayres
Height: 8.5cm Length: 7.0cm
This lovely figurine has been sculpted in celebration of the fifteenth anniversary of the Border Fine Arts Society as a 'thank you' gift to members with fifteen years continuous membership. The peregrine was a natural choice as it has been the logo for Border Fine Arts since the company started in 1974.

You can have the dog painted to look like your own dog and have its name added on the back of the model — at no extra cost!
